When you use **Goodshop** for your online shopping, you don't just save tons of money with their top notch coupons, you also get to earn donations for **The Center for Family Support!** This is because **Goodshop** has partnered with thousands of online merchants in order to help your shopping make double the impact, and your money stay local.

## How Does it Work?

When you shop with any of **Goodshop's** donating merchants, a percentage of your purchase is credited to the donation fund they set aside. The, at the end of the year, **Goodshop** tallies up all that you've raised while shopping and sends us a nice big check. Each individual donation may seem small at the time of your purchase, but trust us, when everybody does it together, it really adds up!

## Heres How
