

EMPLOYEE OF THE MONTH

THE CENTER FOR FAMILY SUPPORT

OCTOBER'S WINNER IS JOANNE MILLER-BERRY

Nominated by Assistant Director, Roscoe Simpson

Joanne started CFS on 11/8/12 as a weekend part-time staff. She was promoted to full-time 7-3 and again to senior counselor. She has consistently shown that she has high regard for the needs, values, and desires of the individuals. She advocates for them to be in a community setting where they can try to build natural supports like going to bowling, church, etc. She tends to be nervous when she wants to say something that she believes in, but she does so regardless, whether it's about the amount of medication someone takes or ideas on how to implement goals they want to work on. This is what demonstrates her genuine care to help the individuals live as independent and fulfilling lives as possible.
