

EMPLOYEE OF THE MONTH

THE CENTER FOR FAMILY SUPPORT

APRIL'S WINNER IS ALPHIA WILSON

Nominated by Day Program Manager John Gichuri

Alphia Wilson has been working at CFS since 2010, initially at the Roselle group home before transferring to the Union Autism Day Program. She constantly continues to help out when called upon to work at houses and has worked among other places; Roselle, Balmoral and Bloomfield group homes. Alphia is a self-driven, very dedicated and results oriented staff member with a great passion for working with all the individuals we serve at the Union Autism Day Program. Alphia is always willing and ready to take on additional responsibilities cheerfully at the program based on staffing. On a few occasions Alphia was left in charge of running the Program when both the Supervisor and Assistant had to attend urgent important meetings. Alphia's motherly love, professionalism and effective communication skills naturally creates a very conducive work environment between Management, Parents / Guardians, Instructors and various Direct Support Professional staff and all the individuals served at the Union Autism Day Program. Alphia's commitment to his work is not limited to her shift hours and the prevailing weather conditions. This is vividly evidenced by the fact that she worked at our Group homes in every snow storm we had this past winter and hasn't shown signs of slowing down. For this few positive attributes among many more, I am humbled in naming Alphia Wilson the employee of the month.
