

EMPLOYEE OF THE MONTH

THE CENTER FOR FAMILY SUPPORT

MAY'S WINNER IS JENNIFER BRYAN-ANDERSON

Nominated by Assistant Director Lisa Roman

Jennifer became part of the CFS Team in 2010. She has worked as a DSP in Nutley, Twain and currently Bloomfield group home. Jennifer takes her job very seriously and from the moment she walks into the group home she starts working on getting things done, following the schedule and monitoring the shift responsibilities as needed. She is flexible whenever there are last minute changes in order to accommodate the individual's needs, and often volunteers to do additional tasks to help the team. Jennifer works extra shifts and changes her schedule when needed in order to maintain the proper ratio at the group home when the need arises. She not only attends training as required but she will often remind her manager of upcoming training that will be due for her in order to set up training dates in advance. Jennifer has been extremely helpful in the past several months while there was a manager vacancy at the group home she works at. Jennifer often calls the covering manager to remind them of upcoming schedule changes, as well as to report the individual's needs as they arise. This was extremely helpful as it allowed the individual's routines to continue without interruption. This past January she volunteered to assist with the reviews done at the group home in order to maintain our files in order and easily accessible. Jennifer also has demonstrated interest in learning Therap whenever possible. She will often ask for training in order to better understand and navigate Therap, and she will take out her notepad and write down step by step what's being explained in order for her to be able to go back and do it independently next time, which she does. Jennifer is reliable, dedicated and an invaluable member of our team at the Bloomfield group home. Please join me in congratulating Jennifer in her recognition as Employee of the Month for her hard work and willingness to help others.
