

**SUPERVISORY/CLINICAL/SUPPORT EMPLOYEE  
OF THE QUARTER**

**THE CENTER FOR FAMILY SUPPORT**

**1ST Q 2018'S WINNER IS PETER JUHAS**

**Nominated by Day Program Manager John Gichuri**

Peter Juhas is the Information Technology Assistant for New York and New Jersey. Peter is invaluable and is always available to help when needed. If we are having any issues with our computers or equipment, just a phone call to Peter and he will arrange things so that he can stop by and take a look. He visits multiple locations every day, sometimes covering hundreds of miles in a day at times only to make sure that every thing is going well. If a new technology is adopted, he is always there to make sure that things are installed properly and we know how to use it. If we are having important video conferences, he makes sure that he is available in case there are any connectivity issues. If Peter doesn't know how to fix something, he will find out and take care of it. You will always see Peter early in the morning and late in the day checking on things. He always has a smile on his face and a nice thing to say no matter what the circumstances. Peter is an integral part of the Center for Family Support New Jersey team and we are happy to name him our Support Employee of the 1st Quarter.
