## *Klon Myers*

Klon Myers started his career in October of 2015. He is a Direct Support Professional at Bryant Avenue. He is recognized for his extraordinary example of Supporting Safety. He truly embodies this Core Competency, and it resulted in saving the life of an individual. He is a true leader, who used his training in a real- world setting.

### Competency Area L: Education, Training and Self-Development Activities

### Competency Area R: Supporting Crisis Prevention, Intervention and Resolution

Klon Myers recently completed his CPR/ First Aid recertification. Little did he know this training would be put to the test two weeks later.

Klon was among several staff who responded to the screams of a resident calling for help because her peer was choking. Klon quickly went into action and implemented the skills learned from the CPR/First Aid training. He performed the Heimlich maneuver, which led to the food being dislodged and she was able to breath comfortably again.

### Competency Area S: Supporting Safety

Klon Myers is a true value to this organization. He utilized his training as needed to ensure the well-being of an individual he supports.

We Congratulate Klon Myers for being Bryant Avenue’s January 2018 Employee of the Month .
