

The Center for Support Family Welcomes the Monteleone's

Louis graduated from the Hallen school in New Rochelle in June 2019. He was enrolled in our SEMP program in December 2019 . His previous work experience from his job program from school was in Marshalls in New Rochelle . His family believed that staying in New Rochelle would be comfortable for Louis and having paid employment from a prior work site would be the best case scenario. With the assistance from the Monteleone's we worked as a team to make this happen. His first day of work was the Fourth of July .

Marshalls knew the professionalism and strong work ethic that Louis brings to the team.
