Mask guidelines are changing but continue to stay safe and follow guidelines.

Get a COVID-19 vaccine

- Prevention measures not needed
- Take prevention measures: Fully vaccinated people: wear a mask. Unvaccinated people: wear a mask, stay 6 feet apart, and wash your hands.
- Safety levels assume the recommended prevention measures are followed, both by the individual and the venue (if applicable).
- CDC cannot provide the specific risk level for every activity in every community. It is important to consider your own personal situation and the risk to you, your family, and your community before venturing out.

Approximately 264 staff and 143 people supported at CFS have been vaccinated so far and we continue to make appointments.

Pause lifted on the Johnson and Johnson vaccine.

Following a thorough safety review, including two meetings of the CDC's Advisory Committee on Immunization Practices, the U.S. Food and Drug Administration and the U.S. Centers for Disease Control and Prevention have determined that the recommended pause regarding the use of the Janssen (Johnson & Johnson) COVID-19 Vaccine in the U.S. should be lifted and use of the vaccine should resume.

We are developing relationships with various vaccination sites throughout NY and NJ. If you are interested in receiving the vaccine contact your direct supervisor and/or the following depending on state or program so that we can reach out to you.

NY Residential - Tranet Hymon
THymon@cfsny.org

NY Community & SDS - Linda Schellenberg
