The Center for Family Support (CFS) provides 1,000 individuals with intellectual and developmental disabilities in New York & New Jersey with personalized support to lead meaningful lives.

Your gift to CFS will:

- Support individuals with intellectual and developmental disabilities living in CFS residences and participating in CFS programs.
 - Enhance the lives of those we support by offering unique programs and experiences.
 - Improve the lives of families and help them stay together in their homes.
 - Integrate individuals in their communities and improve their ability to self-advocate.
