"WHEN EVERYTHING IS TAKEN AWAY, WHO ARE WE AT OUR CORE AND
HOW DO WE TAKE CARE OF EACH OTHER?"

After a sudden plane crash, a wealthy family finds themselves stranded on a failing farm, far from their life of comfort and privilege. As they try to find their way home, conflicts resurface, hidden skills come to light, and unexpected bonds are formed with the farmers on whose land they suddenly find themselves stranded. Devised by the CFS ensemble, "From Sky to Soil" is a powerful, heartwarming story that asks: when everything is taken away, who are we at our core and how do we take care of each other?

All Ages Welcome!
