

CFS BOWLING FUNDRAISER

PIN IT FORWARD

Monday | September 14, 2026

Lucky Strike – Times Square, Art Deco Room

 6:30 – 8:30 PM

Pin it forward with us at Lucky Strike to support self-advocacy and inspire independent lives!

Team up with CFS at Lucky Strike in NYC's Time's Square for our second run at this special participant-led fundraiser that raises critical funds for **CFS' Innovative Planning and Advocacy Department!**

The Innovative Planning and Advocacy Department at CFS creates opportunities that are not funded by government programs—from peer-led workshops and disability rights education to political advocacy and community integration. Your participation at this special (and very fun!) fundraising event will help CFS raise these much-needed funds to support self-advocacy, creativity, and inclusion for people with I/DD.

Bowl with CFS this September 14 to ensure we can say YES to all the ways we can inspire lives!
